"Cherish Water Resources" 水務設施繪畫比賽

Waterworks Installations Drawing Competition

水務署現舉辦「珍惜水資源」水務設施繪畫比賽，希望全港市民發揮無限創意及想像力，以本地水務設施（例如水塘、水壩、濾水廠、配水庫等）為創作元素，用視覺語言去推動「珍惜水資源」的理念，藉此加深普羅大眾對本地水務設施的認識、鼓勵各界愛護相關設施及珍惜水資源。

The **Water Supplies Department** now launches a "Cherish Water Resources" Waterworks Installations Drawing Competition to encourage the public to express, through their creativity and imagination, the concept of "Cherish Water Resources" by using Hong Kong's waterworks installations (such as reservoirs, dams, water treatment works, service reservoirs, etc) as the creative element. The competition aims at enhancing people's understanding of waterworks installations and reminding people to cherish these installations as well as water resources.
