¹ Active Members are all members who have paid for their membership for the current year.

²NB: Renewed members are not necessarily only members who renewed from the previous year (e.g. members in 2005 renewed their membership in 2006), but they could have renewed their membership after having it lapsed for one or more years (e.g. a member in 2003 didn't renew it in 2004 and 2005, but could have renewed it in 2006).
